In conference

Conferring with Assistant Superintendent of Schools, Mr. Leamon

Discussing school business with principal, Don Moore

Dr. Johnson and Mr. Bailey

## To: Alton High School Students

I believe that it is the duty of each high school student to use his ability to the fullest extent. Business and industry will look for capable, enthusiastic graduates who have a desire to succeed. Colleges are willing to accept students who are capable of doing college work. The judgment that each student uses today will influence the decisions which he will make five, ten, fifteen, or twenty years from now. Therefore, each high school student should realize that academic or vocational achievement, attitudes, morals, manners, good citizenship, plus respect and concern for community, state, and national problems, influence not only his future, but the welfare and happiness of all other citizens.

We are fortunate to live in the United States of America. We must continue to contribute to the preservation and growth of democracy and help to keep our great nation safe from the enemies which may attempt to change our American way of life. A student who wastes time, effort, and ability is not carrying the fair share of the responsibility which should rest on the shoulders of each individual.

We should use the past as criteria to plan for the future. Changes in the business, social, professional, and economic world are so rapid that plans, procedures, and products which were adequate one year ago may be obsolete one year from now.

Will you be ready to face tomorrow?

Sincerely yours,  
J. B. Johnson, Ed. D.

Work hard, be a good citizen, appreciate the position of your fellow man, use your leisure time properly, continue your education, and you will share in the joys of living.

MR. MACY PRUITT, Administrative Assistant in charge of Junior and Senior High School Curriculum.

It has been wisely said that criticism is but the tax that one pays for being eminent.

MR. C. R. WRIGHT, Administrative Assistant in charge of Vocational Education.

Our federal government has recognized the value of our human resources through education. Educational opportunities for all segments of our society have never been so great in the history of our nation.

The continuing development of the skills and understanding of our people in a world of rapid and constant change is the price of continued greatness as a nation.

## Board of Education

Our American schools furnish an opportunity unequalled in the annals of world history or in any country today. The opportunity of a free education for every individual is something that may too often be taken for granted. The important factor, however, will be what you do with this opportunity you have been afforded, both now and in the future. If you have applied yourself, you have acquired the basic requisites to take your place in the affairs of the world and the necessary fundamentals to study and build on your present education and knowledge and put it to good use for the improvement of yourself, your community, and your nation. This opportunity is given to each of you equally—it is fair to say it will not be utilized by each of you equally—but those of you who diligently use the opportunity to the greatest degree will have the brightest prospect of a successful future and unlimited opportunities toward making the greatest contribution to society.

My congratulations on your current achievements and finest wishes for a successful future.

The Alton Senior High School hopes to provide a basic curriculum for all students and a depth in content for those who are capable. The school attempts to do this through teaching the students study skills, individual responsibilities, to have an inquiring mind, and to gain satisfaction in learning as well as to gain talent for effectual human relations.

# SENIORS

WE OF THE SENIOR CLASS  
REPRESENT THE REALIZATION  
OF THE FUNDAMENTAL PRINCIPLES  
FOR WHICH ALTON SENIOR HIGH SCHOOL  
EXISTS.

AS WE GO OUR INDIVIDUAL WAYS —  
TO COLLEGE, TO A JOB, TO A FAMILY —  
WE SHALL EMBODY THE IDEALS,  
BELIEFS, AND RESOLUTIONS  
CHARACTERISTIC OF OUR EDUCATION.

IT IS THE THOROUGHNESS WITH  
WHICH WE COMPLETE OUR TASK  
THAT WILL DETERMINE THE  
DEGREE OF OUR SUCCESS.

*The Liberty of the Individual Is  
the Right to Execute His Own  
Thoughts.*

CLASS MOTTO  
CLASS OF 1966

As a contribution to Alton Senior High School, the Class of 1966 has elected to erect a sign identifying our campus. It is hoped that this project may be financed with the present senior fund, supplemented by money-making projects this year.

Last spring Jim Kodros was elected President of the Class of 1966. At last year's graduation, according to Alton High School tradition, Jim accepted the cane and chain, symbols of the senior class.

From the time of his election Jim has worked actively to carry out the duties of his office. His first responsibility was the organization of the 1965 Junior Prom. Since then Jim has led in the development of a class motto project, and the organization of the Senior Prom.

The Tatler is proud to salute a scholar, athlete, and outstanding student, Jim Kodros, President of the Class of 1966.

THOMAS JOSEPH THOMAS  
PRESIDENT, NATIONAL STUDENT SAFETY ASSOCIATION

In August, 1965, Tom Thomas was elected President of the National Student Safety Association at the National Conference held in Carbondale.

Tom was attending the conference as Chairman of the Illinois Host Committee. He had been appointed to this position after his election as General Chairman of the Illinois Youth Traffic Safety Conference last spring.

As President, Tom serves as Chairman of the N.S.S.A. Board of Directors, student advisor to the National Commission on Safety Education, and member of the Chrysler Corporation's Aid to Education Program. He has also been called upon to address numerous youth and adult groups.

Alton High is indeed proud to have as a student this national officer, Tom Thomas.

Preparing a speech.

Tom outlines the safety program.

## Carlos Spiller

### Our A.F.S. Student From Uruguay

This year Alton High School is proud to have as its exchange student Carlos Spiller from Montivedeo, Uruguay. Carlos, an eighteen year old senior, will spend one year in the United States, studying our school and learning about our way of life. While at Alton High, Carlos has been living with Mr. and Mrs. Mel D. Walston.

Carlos is attending Alton High under the auspices of the American Field Service. Our school is a participating member of this program, and we have not only had exchange students here in Alton, but also have sent several students abroad. We students would like to thank all who have contributed to this program, and we hope that one day the purpose of the A.F.S. may spread throughout the world.

"Walk together, talk together, all  
ye peoples of the earth,  
For only then shall you know peace."

CARLOS ALEJANDRO SPILLER

What does it mean, "Alton Gets Stomped!"?

Like all other students, Carlos studies . . .

relaxes . . .

appreciates fine music . . .

and enjoys our cafeteria food.

He has spent a year in learning . . .

finding good fellinging . . .

and becoming a member of an American family.

That's right, drop Chem-O and put in General Science.

You never know what you'll find in a water fountain!

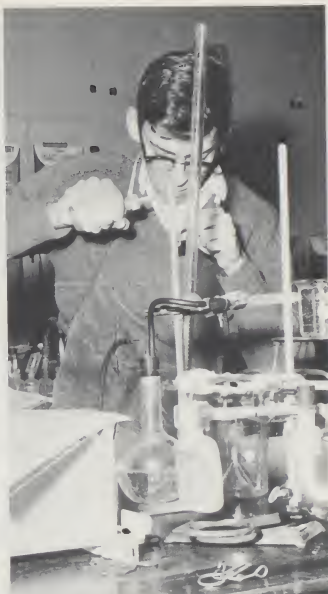

Hey! Where's the other finger on this hand?!

Oh, that guy has got to be kiddin'!

My teeth, my teeth, I lost my teeth!

Eye of newt and toe of frog.  
Wool of bat and tongue of dog . . .

Larry, Moe, and Curly Joe.

Do you get the feeling someone's watching us?!

I wonder what all those little people are doin' down in there?

I refuse to eat 'til that guy leaves!!

After the ball is over . . .

Make that ole photographer go away!

"Two-foot salute" to the mighty, mighty seniors!

That's what-I get for eating lemons for lunch.

Come on, yell a little bit!

Well, what's your problem?!

Don't you think it's about time for a haircut?

If I can't get it with the racket, I'll catch it in my mouth!

Where's that crazy rooster?!

Stretch a little Mr. Tanner!

## Faculty-Student Game

This year, through the efforts of the newly organized "Fighting Redbirds Pep Club", Alton Senior High School was entertained at the rollicking Faculty-Student basketball game. The women teachers were pitted against girl students, and the male faculty team took on the male students. The result was a victorious (?) faculty. Alton High eagerly awaits a rematch of the Fabulous Faculty and Spectacular Students next year.

The line-up. Oh! No, it's the faculty team!

Is this basketball or a hoe-down?!

YEA FACULTY!

A 96'er flies up for a basket!

Mrs. Pointer and Mr. Bagley plan their next cheer.

What do I do with the ball?!—  
She's after me!

Coach Brandt gets the ball—or is he losing it?

Faculty to the rescue of an injured (?) player!

We want a touch down!

Do-si-do and SINK IT!

"Blueberry, blackberry, raspberry pie—  
All for FACULTY stand up HIGH!"

Faculty members "up-in-arms" for their team!

Hey! Isn't leg-patting illegal!?!

"Ward Montgomery" waits for the ball and "Buckeye's Bowling" isn't too sure about it!

See that basket, see that ball—come on Mr. Bagley, hit the wall!!

## Junior Prom

With Junior A-GoGo as the theme, our Junior Prom went into full swing. The color scheme was pink and white in the midst of our brand new cafeteria. A huge balloon created a crystal ball effect, and abstract paintings enhanced the atmosphere.

Our Master of Ceremonies, Luke McKee, announced the highlight of the night, the Dream Girl Coronation. The following were led to the throne: Miss Pam Ferguson escorted by Rick Ghent, Miss Carolyn Newman escorted by Glen Carroll, Miss Sandy Patterson escorted by John Van Hook, and Miss Mary Young escorted by Jim Yeager. Miss Judy Bailey, our Dream Girl for 1965, was crowned by our Class President, Jim Kodros. Following the crowning of our Dream Girl, Judy, the Dream Girl Court joined Judy and Jim in a spotlight dance.

Our Junior Prom Theme

Are you sure the Wright Brothers started this way?

Just do a couple more and I'll catch on.

Paper tiger

This is our Junior Prom Formal?

Wish I could weave baskets with the others

Judy, that isn't how you curtsy

You can come down now, Ted;  
the cat chased it away

Judy in the spotlight

Miss Carolyn Newman escorted by Glen Carroll, Miss Mary Young escorted by Jim Yeager, Miss Judy Bailey escorted by Jim Kodros, Miss Sandy Patterson escorted by John Van Hook, Miss Pam Ferguson escorted by Rick Ghent.

## Senior Play 'The Silver Whistle'

"Really, Mr. Davenport, you don't have to spray my eyelashes!"

"I guess you might say, 'I'm a soldier of fortune.'"

"Remember all that I've done for you."

"Foreign devil! Worshipper of heathen idols."

"Reverend Watson, who gave you permission to have this bazaar?"

"I can take twenty-five years off the lives of everyone here."

"I'd chase right after you, Mrs. Sampler."

"I have something in my pocket that belongs across my face."

"What kind of surprise is it, Mr. Erewenter?"

"Hello Mr. Erewenter."

"Well, things are looking up all over."

"So what are you staring at?"

"Oh, no! It's the Reverend."

"Well, then, how did all these things get here?"

"You mustn't think we doubt you."

It is with pride that we present Vicky Johns, former student of Alton High, who was awarded the title of Miss Future Business Leader of America.

Vicky, having been named Miss Future Business Leader of Illinois, traveled to Cincinnati, Ohio, last June to participate in the finals along with thirty-six other outstanding contestants. There they were tested on their knowledge of business fundamentals and the top fifteen were then interviewed by Cincinnati businessmen.

At the subsequent Awards Banquet, Vicky was named to her honor and received a plaque, the F.B.L.A. gold leadership key, and a typewriter.

Vicky is now enrolled at Southern Illinois University, Edwardsville, as a freshman student studying business administration.

## CONGRATULATIONS!

Recently the "Marching 100" entered the "Disneyland Holiday Marching Band Show Contest." The "Marching 100" entered the Mary Poppins half-time show by sending a film and a tape recording. There were over 600 other high school marching bands from twenty-six states throughout our nation competing in the contest.

The bands were graded on thirty-five marching and playing skills which were included in four main groups: Playing; Basic Marching Techniques; Special Drills, Maneuvers, and Formations; Overall Effect. The "Marching 100" received runner-up with fifth highest commendation.

Hearty congratulations to the members of Alton Senior High, its community, and especially to the "Marching 100."

It's the noise, all that horrible noise!

Two right flanks, a to-the-rear, and then a . . . Oh what's the use, I'll flunk anyway!

## Champions of the West

We can certainly be very proud of our Music Department. Our Alton High Marching 100, under the direction of Mr. LaMarsh, returned home the proud champions of one of the big celebrations of the West, the Frontier Days event at Cheyenne, Wyoming.

Winning first prize over twenty marching bands is quite a feat, however, it was dwarfed by another accomplishment of the musicians. The entire trip was sponsored and organized by the enthusiasm of the bandmen, orchestra members, and their parents, the Alton Band and Orchestra Builders. These young musicians certainly deserved the tremendous awards they received throughout the west.

Three of a kind!

We'll let you out when we reach Colorado, Mr. Musgrave!

Yes, Paul Bunyan chopped down all these trees.

According to this map, we're in downtown Cheyenne!

The coast is clear; let's go.

I wonder if we should have put Mr. Musgrave in there?

Now that I think about it, maybe it wasn't Paul Bunyan.

Oh, no, not Custer's last stand again!

Don't take it so hard. We'll be home Saturday.

With a smile like that, there must be something good coming up.

Here's your tip, boy.

# Track

The season started slowly, as usual, with losses to teams not predicted to give the Redbirds trouble. But the boys took this in stride and battled along to give Alton High School one of the most deserving track squads in recent years.

Alton's thinclads did not rack up as many victories as last year's team, but then a lot of valuable material was lost through graduation. Mr. Wigger and his coaching staff should be given special thanks for their hard work in making this Alton team a squad which will be remembered in future years.

In most of the larger meets, including conference meets and relays, Alton would take a close second to East St. Louis or a third behind Lincoln (East St. Louis) and East St. Louis, respectively. However, in the state track meet East Side was blanked and Lincoln was beaten by Alton High.

The state track meet held surprises and disappointments for Alton squad. It seemed as if our team was always getting the last lane on the track. This made it hard on the runner because on a staggered start he seemed to be ahead all of the time until the last stretch. Then it was too late to catch up with those who had passed him on the last curve. That is what happened to us in the 440 and 80 relays. Maurice Pittman had the last lane because of a bad qualifying time and was passed by Roy Houston of Evanston in the last curve. The disadvantage of that last lane popped up as Houston beat Maurice by one-tenth of a second with a time of 48.7 seconds. Our 880 team, composed of Charles Wyatt, Richard Henly, Carl Herron, and Percy Clark, came up against the same trouble and was given a third place even though the second place team, Evanston, had the same time of 1:30.8. Alton's mile relay team, Percy Clark, Phil Dourson, Jeff Bernard, and Maurice Pittman, came in first with a time of 3:22.8, cutting 2.5 seconds off the old record. The final standings were Evanston 25, Champaign and Proviso West with 15, Alton 12, and Dunbar 11.

It should be noted, also, that those boys who do not participate in the track meets regularly, get the same great training program to which the varsity team adheres.

# Baseball

Joehl is on his way.

Alton High School should be proud of its baseball warriors. They came up with the co-championship of the Southwestern Conference, which is the first time in 13 years we have even touched first place.

The season started with 7 wins and a tie. Then the roof fell in on our wonderful record. Granite City, East St. Louis, and Collinsville teamed up to give us three losses in a row, and they were all conference games. The Redbirds bounced back and threw three shutouts against Wood River, Edwardsville, and Belleville which gained back what we had earlier lost. Three games later we lost an important conference game to Bellville, but we were still in the running. The tie game, mentioned above, had to be played over to clear up the mess made by those teams battling for first place—Granite City, Belleville, and Alton. The Redbirds won that game with ease and were co-champions with Belleville and Granite. That was the closest we came to winning a championship since 1952. Boy! What a season.

The district tournament held no favors for the Redbirds as Southwestern banged a couple of homers and took the game 7 to 5. This eliminated our boys from state competition. But for the work, determination, and attitude these boys gave and had, we should be very proud and grateful of the showing this Alton team of '65, co-champions of the Southwestern Conference, gave Alton Senior High School.

## Tennis

First, we should congratulate the new coach, Mr. Sterrett, on a wonderful season.

The boys played very good tennis this year. They ended up 9-4 in the conference, which rated them third, behind Belleville and Edwardsville.

The district meet held a third place for the Redbirds after a rousing comeback.

Tom Sherwood and Ron Selkirk qualified for the State Tennis Meet but were bested in competition by Decatur McArthur, the eventual state champions.

ROW ONE: Mike Monahan, John McLagan, Tom Sherwood, Bruce Steinman, Steve Jianakoplis.

ROW ONE: Mike Green, Mike Sheary, Bill Von Hatten, John VanHook, Joe Middendorf, Bob Von Hatten.  
ROW TWO: Eric Campagna, Jackie Martin, Jim Youngberg, Don Defrates, Steve Drescher, Craig Clary, Ken Weihe.

Mr. Matthews and the boys should be given high recommendation for their fine showing this past season.

In the conference meet, Alton came in third place behind Belleville and Collinsville, respectively. During the regular season the team had the best showing when they tied Belleville on Belleville's own course.

At the district meet the Redbirds swung their way to the final playoff, but lost to a tough Lebanon squad.

There are no standings kept in the conference for golf, but according to perfect informers, the players, the Alton team would have ended up second in the conference behind Belleville.

Redbirds on the move.

Our 1965 gridiron season was opened and closed on the home field. This season we had 7 home games and only 3 away games. The team ended the season with a record of four wins, five losses, and one tie.

In our first game with Quincy, the Blue Devils worked in one touchdown to win the game.

We won our second game over the Marquette Explorers with several fine runs by Bob Gruver and a TD pass to Wayne Schroeder.

The third and fourth games to East St. Louis and Granite City were lost by wide margins. East St. Louis went on to take the Southwestern Conference title.

The next game with MacArthur of Decatur ended in a solid tie.

We won the sixth and eighth games from Edwardsville and Collinsville with a loss to Belleville in between. Edwardsville was our homecoming game.

The next-to-last game was probably the upset of the year for the Redbirds, as we took advantage of Wood River mistakes for a surprising victory.

Our last game was lost to St. Louis U. High as the Juniors Bills took advantage of an early touchdown to beat us by 6 points.

An interesting fact of our 1965 football stand is the total point ratio. We scored 139 points total to our opponents' 155.

This year's varsity coaching staff deserves quite a bit of praise for the record they compiled this year. Our coaches are: Mr. Yonkus, head coach; Mr. Johnson, offensive line coach; Mr. Brandt, defensive line coach; Mr. Stavros and Mr. Macias, sophomore coaches; and Mr. Tanner and Mr. Buddell, assistant coaches. Special praise ought to be given Mr. Yonkus for his excellent guidance of the team, and for the record he compiled in this his freshman year at Alton High. Mr. Yonkus' effect on our gridiron team has been obvious.

# Cross Country

Alton Senior High School's cross country team always tries to meet the strong teams in the area early in the season, to give them something for which to work. Because of this, the Redbirds met tough opposition from the top Missouri teams, which hindered our team's winning ways in the beginning of the season. But, as time progressed, we became the stumbling block for those teams and tied for first place with McClure, one of Missouri's finest teams, in the tremendous Beaumont Invitational Cross Country Meet.

In the past five years that Mr. Wigger has been coaching here, the Redbirds have won the conference championship. This year, the sixth, was no exception. Alton battled off Belleville's rally and defeated the other teams in the conference.

The cross country team, having won the district crown, too, earned a trip to the state cross country finals. Our harriers have made this trip fifteen straight times, since the sport began here in 1951.

A field of contestants, one of the toughest groups of teams ever assembled, met in Champaign, Illinois, for the twentieth annual Illinois High School State Cross Country Meet. Our Redbirds placed seventeenth in the race, with Belleville placing eighteenth.

This season was one of the most thrilling accounts of a determined comeback to be found in recent years. After a slow beginning, our Alton Redbirds gave us a team of which to be proud.

## Basketball

The basketball season surged like Alton High's spirit by supplying two quick victories against O'Fallon and Mt. Vernon, two non-conference opponents. But the next weekend brought disaster. Both East St. Louis and Jacksonville used the Redbirds' ineffective foul line shooting for two Alton losses.

Tournament season arrived; with its arrival Alton took a second place to Edwardsville in the Edwardsville Tournament by beating CBC in the opener and losing to Edwardsville in the final game.

After the tournament games, we returned to the regular season by thumping Wood River by a large margin. Granite City couldn't miss and handed us a surprising defeat.

In the second annual Carbondale Tournament, Alton beat Marion, a team which ranks highly in the state, by playing one of its best games. The Redbirds met Olney in the second game and were upended by Olney's spirited efforts.

Conference play started again, but it provided no silver linings for the Redbirds. Belleville and Collinsville matched offensive efforts two successive nights to hand Alton two blistering defeats. The team came back against Edwardsville with some spirited action. But the Tiger's new gym seemed to put a lid on the basket for the Redbirds, and Edwardsville came out a winner.

As it now stands, Alton High's Redbirds are 1-5 in the conference and 5-8 overall.

Wait 'till I show mommy my new paper dolls.

Keep shaking, it's bound to come out—I hope.

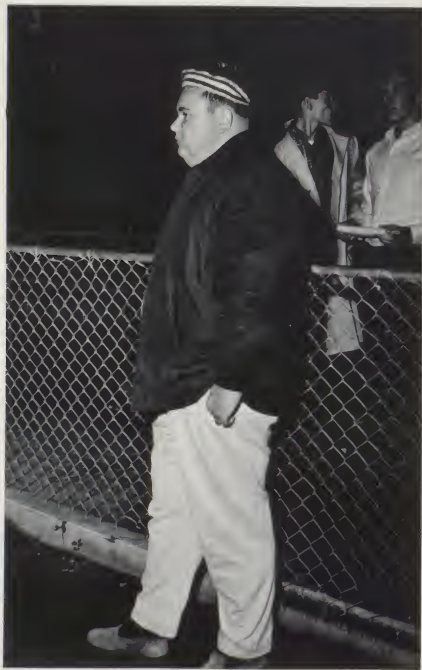

This class really rattles me!

Come on, Sandy! I'm trying to work.

Now if I were out there . . .

The ants go marching four by four!  
Hurrah! Hurrah!

Made in Japan?!

I've been framed!

Gee, this fly's got four million eyeballs.

Yeah! We always play hockey sitting down!

Now wait a minute!!

Get out of my study hall.

Can I get off now?

Lockjaw besieges the pep club.

I got Tuesday night's version of *Peyton Place*!!

Naaaaaaaaa!!!

Get that camera out of here!!!

Buckets are for stacking, not eating!

Is it a bird, is it a plane . . .  
No it's me, Super Cool.

Is this the right button?

You start a car your way, I'll start it *my* way!

If that guy takes the last gingerbread man, I'm gonna cry!

One for them, two for me.

Giddyap "B"!

Boy! We've got all these people out here and we still can't hold this wall up.

I know it looks stupid but it's the only way I can keep my glasses on.

He thinks he's got it bad, they only took his comic book, and they took my Tonka Truck!

Kill the snake, kill the snake with your hockey sticks, girls.

Yeah, Buddha!

## Editor's Message

Attention readers of this *Tatler* in the years 1966 and 1991!

Today, production of this book is the effort of many more people than could be mentioned here. To the staff members, who met deadlines unfailingly and captured the spirit of the present student body, go my congratulations and thanks for a job well done. To Mr. Dale Livengood, our advisor, goes our appreciation for direction, inspiration, and patience. To you, the students, goes this *Tatler* for your inspection and enjoyment.

If you are rereading this book in 1991, it is a reminder of friends and events separated by time and distance, a refresher course for the twenty-fifth reunion of the class of 1966. See you there!

# *A Sincere Thanks to Our Advertisers*

The students of Alton High School wish to express their appreciation to the advertisers who have helped to make the publication of the 1966 Tatler possible.

Employees at the Olin Works of Olin Mathieson Chemical Corporation have manufactured products that have enjoyed an enviable reputation for quality over the years.

The Western and Olin trademarks, which are so familiar here, are recognized by our customers world-wide as symbols of dependability.

Olin Works is proud to count among its employees many graduates of Alton High School.

The new I.B.M. installation, pictured above, is the unit record equipment used by Alton Senior High School in the performance of the various duties of student accounting. The principle function of this mechanism is the scheduling of students' programs. This task includes production of the eight-card enrollment replacement report and a master census of student schedules. This mechanical mind also issues student report cards and computes the monthly attendance of each pupil. Much time and effort on the part of both teachers and students is saved by this equipment, utilized for the first time this year.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1999. The public sector has also become an important employer of women, with 5.5 million women employed in the public sector in 1999, compared with 4.5 million in 1980.

There are a number of reasons why the public sector has become an important employer of women. One reason is that the public sector has a high proportion of women in its workforce. In 1999, 88% of the public sector workforce were women, compared with 78% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

Another reason why the public sector has become an important employer of women is that it has a high proportion of jobs that are part-time or flexible. In 1999, 38% of the public sector workforce were employed on part-time or flexible contracts, compared with 28% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

A third reason why the public sector has become an important employer of women is that it has a high proportion of jobs that are well paid. In 1999, the average salary of a public sector employee was £20,000, compared with £18,000 in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.
